**FOURTH AND FINAL FEE
APPLICATION OF RECEIVER,
MICHAEL A. GRASSMUECK, FOR
FEES AND EXPENSES FOR THE
PERIOD MARCH 1, 2010 THROUGH
AUGUST 19, 2010**

**FOURTH AND FINAL FEE APPLICATION OF RECEIVER, MICHAEL A.
GRASSMUECK, FOR FEES AND EXPENSES FOR THE PERIOD
MARCH 1, 2010 THROUGH AUGUST 19, 2010**

Michael A. Grassmueck, the court appointed receiver for Global Online Direct, Inc. et al. (the "Receiver"), brings this Fourth and Final Fee Application (the "Fee Application") for professional fees and expenses incurred between March 1, 2010 and August 19, 2010 (the "Application Period"). Detailed statements of the fees and expenses requested by the Receiver are attached hereto as **Exhibit A** and incorporated herein by this reference.

BRIEF INTRODUCTION

On June 4, 2007, this Court issued an Order Appointing Receiver (the "Order"), which named Michael A. Grassmueck the Permanent Receiver of Global Online Direct, Inc. and its subsidiaries and affiliates (the "Receivership Estate").

The Order identifies the Receiver's duties and responsibilities as follows: (i) securing, protecting and recovering assets, including tangible and intangible assets and chooses in action; (ii) preparing an accounting and investigating the basis for the receivership proceeding; (iii) analyzing claims and developing, with Court approval, a plan for allowing claims and the equitable distribution of assets to investors; (iv) liquidation of assets; and (v) pursuit of claims for the benefit of the Receivership Estate.

In the Receiver's Reports filed in July 2007, January 2008, August 2008, February 2009 and August 2009, the Receiver provided the Court with detailed information concerning his activities and the progress of the Receivership. As such, the description of much of the Receiver's work is reflected in those reports and incorporated herein by this reference.

I. EMPLOYMENT OF PROFESSIONALS

Pursuant to the Order, the Receiver engaged certain professionals to assist him in performing his duties. These include:

- Allen Matkins Leck Gamble Mallory & Natis LLP ("Allen Matkins") was employed as the general receivership counsel for Receiver and has performed major work in the areas of assisting in the forensic accounting, pursuing discovery against potential third party claimants, reviewing correspondence from and advising the Receiver regarding complex investor issues and aiding in the preparation of court filings.
- Financial Forensics ("Financial Forensics") was employed as the forensic accountants to the Receiver and has performed major tasks surrounding the

reconstruction of financial records, data collection and review, interviews and depositions, drafting reports and pursuing claims against third parties.

- Larkins Vacura LLP (“Larkins Vacura”) was employed as special litigation counsel to the Receiver and has filed suit against third parties to recover funds belonging to the receivership estate.
- Moss Adams LLP (“Moss Adams”) was employed as tax accountants to the Receiver and has filed all receivership estate tax returns.
- James G. Murphy Co. (the “Auctioneer”) was employed to consult and auction the personal property of the Receivership Entities.

II. SUMMARY OF WORK

The Receiver has successfully recovered \$3,197,574.94 to date. Since the filing of the last fee application on April 19, 2010, the work performed has fallen generally into the following categories:

- General Receivership Matters. The Receiver continues to monitor and provide updates to the affected investors through his dedicated web page and dedicated email address.
- Investigation and Analysis of Claims against Third Parties. After consulting with the Court, the Receiver hired Larkins Vacura as special litigation counsel to pursue actions against certain third parties. The Receiver’s counsel has filed suit against certain third parties, but has determined the cost of litigation exceeds any possible recovery.

- Sale of Real Property. The Receiver sold the final 3 pieces of real property for \$140,000.00. In total, the Receiver has sold nineteen pieces of real property for a total of \$2,175,500.00.
- Claims and Distributions. The Receiver has completed all outstanding claims issues and filed the Motion for Distribution and Approval of Distribution Plan. The Receiver intends to distribute funds to claimants with approved claims within 10 days of approval of the Motion and Order for Distribution.

III. SUMMARY OF APPLICATION

From March 1, 2010 through August 19, 2010, the Receiver's fees were \$8,731.50. This represents an average billing rate of \$113.10 per hour. The daily time records reflecting these services are detailed in **Exhibit A**. The Receiver also seeks reimbursement of expenses advanced on behalf of the Receivership Estate in the sum of \$19.33, which is included in **Exhibit A**. These amounts include the amount earned to date plus a reasonable estimate of \$21,000.00 for the fees and expenses necessary to make a distribution to all approved claimants (estimation of \$1,500.00 in fees and \$2,600.00 in expenses), follow up with all returned checks (estimation of \$2,200.00 in fees and \$650.00 in expenses), maintain investor email and interface and answer calls from investors (estimation of \$2,500.00 in fees), make a secondary distribution, if necessary (estimation of \$1,000.00 in fees and \$1,750.00 in expenses), process final tax returns (estimation of \$350.00 in fees), destroy case documents (estimation of fees at \$250.00 and expenses of \$500.00), file a final report and accounting with this Court and process the closure of the case (estimation of \$3,200.00 in fees), and complete any addition tasks at the request of the Securities and Exchange Commission at any time in

the future (estimation of \$4,500.00 in fees). The Receiver currently has cash on hand in the amount of \$1,152,795.91.

WHEREFORE, the Receiver requests the Court to enter an order as follows:

1. Approving payment of professional fees to Michael A. Grassmueck in the amount of \$29,731.50.
2. Approving reimbursement of expenses to Michael A. Grassmueck in the amount of \$19.33.
3. Approve all previous fee applications as filed.
4. Authorizing and directing the receiver to pay Michael A. Grassmueck, Financial Forensics, Larkins Vacura, Moss Adams and Allen Matkins with funds out of the assets of the Companies pursuant to the Order.
5. Granting such further and other relief as the Court deems just and proper.
